

We asked America's PremierExperts® for their best tips on Health, Wealth, Business and Success in the New Economy, here's what they had to say (in 140 characters or less!):

James R. Parrish, Esquire @jimparrish #success
Personal Injury Attorney, Revealing Insider Insurance Secrets
www.TheParrishLawFirm.com

"In order to succeed, you must be different & interesting; don't be afraid to be controversial or of what your "peers" think, make your mark!"

Jennifer Myers @1stHomeBuyExper #wealth
Realtor, First Time Homebuyer Expert
www.JenniferMyers.com

"The riches are in the niches! Focus on one target market, cater to their needs. Be selective and clients will seek YOU out for your expertise and knowledge."

Brad Hess @bradjunkhouser #success
CEO, Junk House Riches LLC
www.JunkHouseRiches.com

"Each situation we are presented with in life creates an opportunity for a positive and profitable outcome; actively implement Alchemy in your life experience."

Holly G. Green @HollyGGreen #success
Leadership & Management Expert
www.TheHumanFactor.biz

"Focus on excellence & what it looks like to win. Inform, inspire & engage others so you are aligned & constantly moving together to get there."

Madeline Ross @madelineross #health
Fitness Expert, Founder and CEO, SuperSlowZone LLC
www.SuperSlowZone.com

"Work out smart, not hard! Use SuperSlow techniques to achieve a full body workout in just 20 minute! 20 minutes to great minds/bodies/success!"

Dr. Mitch Levin, MD @mitchlevin #business
The Financial Physician
www.LevinWealthSystems.com

"Discover the Really Smart Money Secrets to Healthy Investment Returns, Prudently, with Lower Risks. Build Wealth, Protect your Assets, Reduce Taxes."

Richard Seppala @RoiGuy #wealth
The ROI Guy
www.YourROIGuy.com

"In order to create wealth, you've got to be able to control your spending. Start by not wasting money on your marketing. Track your ROI and save money on marketing that stinks!"

Michael McDevitt @michaelmdevitt #business
President, Fidelity Financial Group
www.USFidelityGroup.com

"Improve the skills of your sales force. Invest in sales training, change old behaviors, emphasize new skills through coaching and measure results."

Ben Glass @benglass #success
Revolutionizing the Way Lawyers Market and Build Their Practices
www.GreatLegalMarketing.com

"The world is looking for leaders. Don't wait to be invited to lead. Ignore critics-they want to bring you into their "average" world."

James Brown @thegodfather3k #success
Nationally Renowned Bankruptcy Attorney and Author
www.MissouriBankruptcyBook.com

"No matter what the state of the economy, success starts with deciding first in your mind what it is you want to achieve, then focusing on that goal until it becomes a burning desire and occupies every thought you have."

Bryan Campo @UPI_CEO #business
CEO, Ultimate Passive Income
www.UltimatePassiveIncome.com

"Always look to capitalize on time, money, knowledge or systems arbitrage opportunities within your business."

Dr. Vesna Sutter

www.SunriseDentalCare.com

"We need to go back to the personalizing our relationships with a tremendous increase in not only o"

Ron Caruthers @ronocaruthers #success
CEO, College Planning Specialists, Inc.
www.CollegePlanningSpecialists.com

"For students: Volunteer in your field while you're young. You never know who you'll meet or where it will take you, but it WILL open doors."

Dr. Scott Schumann @grovecitydental #business
America's Premier Cosmetic and Sedation Dentist
www.GroveCityDental.com

"In the game of business, value the advice of people ahead of you more than people beside or behind you, unless you happen to be sleeping with or being paid by that person."

Tom Foster @tomfosterweb #business
Web Sites, Blogs, Video and Social Marketing for Attorneys
www.FosterWebMarketing.com

"The standard five page, brochure-style website that you paid a few grand for is probably costing you money and you don't even know it. Make sure you stay up on the latest web strategies, or at least pay someone to do it for you!"

Tyrell Gray @JunkHouseRiches #success
Co-Founder, Junk House Riches, LLC
www.JunkHouseRiches.com

"The only way to succeed is work and a little bit of luck, if you don't have the luck work harder..."

Ed Sanderson @collegeplannerEd #success
COO, College Planning Specialists, Inc.
www.CollegePlanningSpecialists.com

"It seems like everyone wants the "quick fix" and they want it yesterday. Everything takes time, planning and effort. Sometimes it even means starting in a place where you generally don't think about looking."
